Gear Up Thomson Reuters Business Entities Seminar Course Description:

The 2016 Business Entities seminar will focus on providing practical advice for tax practitioners serving small business clients. We will examine the impact of the Budget Control Act of 2011, discuss the sweeping proposed and temporary regulations affecting all taxpayers that acquire, produce or improve property, update practitioners on informational reporting and Form 1099-K, examine 2016 and future impacts of the Health Care reform legislation, and look ahead to anticipated post-election tax reform. The course will highlight new court rulings, regulations, and other updates relevant to small business tax advisers.
