Jennings-TaxSpeaker 1040 Tax In Depth Overview

This course is written to be the most up-to-date practical 1040 class in America. The course begins with all of the last-minute and current year changes that can affect an individual tax practice. From Congressional changes to IRS rulings, from the latest practice concerns to compliance issues we review all of the pressing issues of a tax practice the first thing out of the gate, in a deep practical approach that leaves nothing out.

Course speakers are current practitioners with knowledge and humor who bring their current experience to the room in a presentation approach designed to make the class rewarding, interesting and stimulating. They utilize cutting-edge technology to provide you with literally hundreds of hyperlinks, useful websites, supporting research and case law citations to arm you with the most powerful annual guidance available. Driven by current year changes, they make sure to discuss them all before moving to reviews of current year problems.

This course is eligible for CLE credit. Please ask at the registration table for the form needed to request reporting.
