## **Lehigh Valley Chapter Gear Up Thomson Reuters 2019 Accounting & Auditing**

### **Seminar Course Description/Objectives:**

The 2019 Gear Up accounting course is designed to give practitioners the information they need to provide audit, review, compilation, and preparation engagements for small and midsize companies. This course is more than just an update. It covers a wide variety of topics including:

- Review of current SSARS and discuss how it has changed our practices
- A look at financial statement presentation for different types of organizations
- Discussion on the income tax method of accounting and a review on how TCJA changed definitions of small businesses and how that may affect financial statements
- Special purpose framework financial statements. How are they relevant to smaller businesses?
- Review of practice management and continuation issues
- A look at fraud and data security in the modern world
