## **Jennings-TaxSpeaker Federal Tax Update-Corporations & Partnerships Seminar Webinar**

**Description:** Many firms wish to attend an annual update that covers all of the changes that affect business entities in the current year, as well as detailed analyses of how the new tax laws will affect your business tax clients. Kept up to date through the day before the class, this class will include the latest modifications to TCJA and 2019's Budget Bill as well as other relevant IRS Notices, announcements, ruling and court cases for corporations, S corporations and entities taxed as partnerships and discussion of common compliance issues encountered during 2020's tax preparation season. Every chapter has been updated for the effects of the end-of-2019 Budget Bill and both March 2020 tax bills, with in-depth discussion and examples of those changes! 2020 changes are all coming together with 3 different bills into a massive year of tax changes. All attendees receive the hyperlinked PDF E-Book and this year we will also provide discussion of corporate pension plans because of the newly upgraded new pension plan credit.
